Our head office as well as our partners are expert in the gas field as we manage several calls per month, and landing procedures are frequently updated. Many clients appreciate our specialization.

CONTAINER SHIPS

Our focus on organization allows us to finalize complex arrival and departure necessities in order to guarantee perfect timing for all services. We also manage booking and custom formalities for you.

CRUISE SHIPS

Adhering to vessel schedule, all formalities are prepared in due time with the Authorities, for a smooth port stay. We also organize tour arrangements and excursions all over Sardinia.

CHEMICAL SHIPS

We follow all compulsory safety procedures in order to satisfy the diverse port authority necessities, and to obtain loading and discharging permission in due time without any delay.

NAVY SHIPS

For many years we have been utilized by the Navies of England, Germany, France, Greece, the Netherlands, Norway, and Sweden, who have highly appreciated our professionalism.

YACHTS

Major yachting companies are discovering our marvelous island, thanks to the support of our professional services. Our office in Cagliari is right in front of the main Yachting marina, at walk distance.

An Experienced Team

Our skilled staff works 24/7 to give the most efficient service to ships calling Italian ports.

Mr. Marco Argiolas, who has been working in in this field for over 40 years, has been leading Star Sardinia since its foundation.

From the company's Head Office in Sarroch, he is in constant touch with a selected group of partners and sub-agencies, and supervises the operation department's tasks, which are strictly regulated through a Quality Control system since the year 1999.

Star Sardinia is a financially stable company in continuous growth, with a fully paid-up share capital of € 100,000.

High Quality at Competitive Rates

Our professionally skilled personnel is always ready for any necessity that may arise. In order to maintain the high degree of quality expected of our services, proper training is periodically scheduled to address the latest innovations in the fields of safety, privacy concerns, and cost effective delivery.

It is our primary aim to guarantee our clients optimised results in relation to the allowed budget. Our best efforts are thus directed toward minimizing costs while keeping a steady quality level. We are able to satisfy this condition thanks to our deep knowledge of the local business environment, and given the long-term relationships established with our foreign partners.

The geographical context in which we operate gives us the opportunity to serve one of the biggest refineries on the Mediterranean Sea as well as luxury port tourism, in addition to the everyday port activities. The experience we have gained helps us to solve, in a short time, otherwise difficult or delicate problems.

Yachting Services

Our company was one of the first in South Sardinia to pursue the Yachting sector, believing in its growth possibilities. We have worked to successfully develop and manage all of its aspects since 1993, and we continue to dedicate resources to this market. In 2018 we inaugurated a new office on the elegant promenade facing the port of Cagliari, at walking distance from the main yachting marina.
